

WARNING SUMMARY BULLETIN

WIND, SNOW, AVALANCHES

FOR THE TERRITORIES INVOLVED IN THE XXV WINTER OLYMPIC GAMES
XIV WINTER PARALYMPIC GAMES – MILAN CORTINA 2026

Bulletin for Today, Friday 20 February 2026

Region / A.P.	Wind	Snow	Avalanches
Lombardia Montagna*	GREEN	GREEN	ORANGE
Lombardia Metropoli**	YELLOW	GREEN	N.D.
Veneto***	GREEN	GREEN	GREEN
P.A. Trento	GREEN	GREEN	GREEN
P.A. Bolzano	YELLOW	GREEN	GREEN

* Homogeneous area IM-03 hosting the Olympic venues of Bormio and Livigno

** Homogeneous area IM-09 hosting the Olympic venues of Milan, Rho and Assago

*** Maximum warning level for Snow and Wind: Yellow.

The present table provides a quick summary, and not exhaustive, of the official regional and provincial warning bulletins and does not replace them. The table indicates the warning level related to wind, snow and avalanche risks for each Region/Autonomous Province, reporting the maximum value in the territory. The official warning bulletins remain the only valid and binding sources and can be consulted at the following addresses:
